We had one of the best servers I've ever experienced. We had a difficult person to deal with in our party, and she was patient, positive, professional, and entertaining.

This restaurant is amazing, and I recommend it to any and all people. The food is very tasty, the atmosphere is second to none, and the service is outstanding. They have a lounge area, a bar area, and a DJ on Fridays (9p) & live music on Saturdays (and 1 week other day).

Our small office had our Christmas gathering and dinner here last Friday night. We had the Chef's Table and it was so fun watching everything and being able to talk and see all as a group! The drinks, the food, the music, the atmosphere were all EXCELLENT! I'm still thinking about the fire roasted whole Sea Bass...I want more! Then to be able to go over to the bar and dance and have a great time was the best! Thank you Quemar! Merry Christmas!

Best restaurant I've been to in a long time!!!! VB needed this place. The vibes are impeccable and food is even better! I recommend getting multiple dishes for the table and sharing so you get to try everything. There was nothing I didn't love!!

I stopped by for a late lunch and was in awe of the decor and ambiance. As a lone eater, I typically sit at the bar - which also adds to the overall experience, since the bartenders are such an integral part of the team.

Cassidy was amazing! She was friendly, quick to greet and helpful with suggestions - even as she diligently worked on squeezing the fresh juices used in their drink creations.

I'm looking forward to returning to experience the dinner menu!!

Very nice ambiance. Staff was excellent and the food was exceptional. Used tortillas, but not Mexican. Upscale Latin food that was all new to me. Honestly, wasn't familiar with the verbiage or descriptions of dishes. I don't think you could go wrong. My teenage, picky daughters loved it and didn't know what to expect. I would come back for sure.

Took my girlfriend for our 2 year anniversary. It was our first time coming and it was amazing. Carly was our waitress and she thoroughly went through the specials and menu items with us. We started with the Queso Flameado and Oysters with a Horchata and Cucumber Agua Fresca for drinks. Then we had the Loaded Yuca Frita, Charred Brussel Sprouts, Grilled Mushroom Tacos, Enchiladas Birria, and Peruvian Chicken (was a special). For dessert we shared a Creme Brulee. Each item was so delicious and had its own special flavors, I'd recommend all of those items to others. Carly's service was excellent. Great atmosphere. Will come back again soon.
